

A photograph of a modern, multi-story glass-walled building at night. The building's interior lights are on, and a string of small, warm-white lights is strung across the facade, forming a large heart shape. The text "Shiningint smart home" is overlaid in yellow on the heart. The building has a grid-like structure with large glass panels and dark frames. The ground floor features a glass entrance with columns and some potted plants.

Shiningint smart home

THE WORLD IS NOT ABOUT PRODUCTS,BUT SOLUTIONS TO LIVING

Focus on smart creative,healthy electronics movement,
our commision: *Shiningintl motivation on creative and healthy movement*

Rich experience in smart electronics solutions integration

good service in pre-sale and after-sale service support

OEM and ODM neutral brand available

shiningintl motivation on creative and healthy movement

Product list

Wifi plug SH-04

WIFI plug SH-05P

WIFI plug SH-06P

WIFI plug SH-07P

WIFI plug SH-08P

WIFI powerstrip SH-PS1US

WIFI switch SH-S1

WIFI switch SH-S2

WIFI switch SH-S3

Wifi plug SH-04

- wireless wifi control smart plug ,support Amazon Echo Alexa voice control, Support iPhone Android smart phone remote control from internet, Support over internet control
-
- 1.wifi enable, can be control by iPhone android phone over internet
- 2.Amazon alexa voice control enable
- 3.direct access by Amazon alexa, no gateway need

Wifi plug SH-04

Input voltage	125V
Input frequency	50Hz/60Hz
plug type:	USA, EU
Max.load current	10A
WIFI standard	WIFI 802.11 b/g/n
WIFI frequency	2.4GHz
Receive Sensitivity	-98dBm
PA output	19.5dBm
Indicator light	Blue LED
Certificate:	ETL/FCC

WIFI plug SH-05P

- 1.Alexa-enable,voice command
- 2.Wi-Fi connection
- 3.Built-in Safety Protections including Over Current, Over Voltage, Over Temperature, Over Power and Short Circuit
- 4.Client App control, compatible with iOS and Android OS.
- 5.Remote /Local control household equipment.
- 6.Timer Control settings
- 7.wide voltage inpuete range

Near field Alexa speaker:SA-300

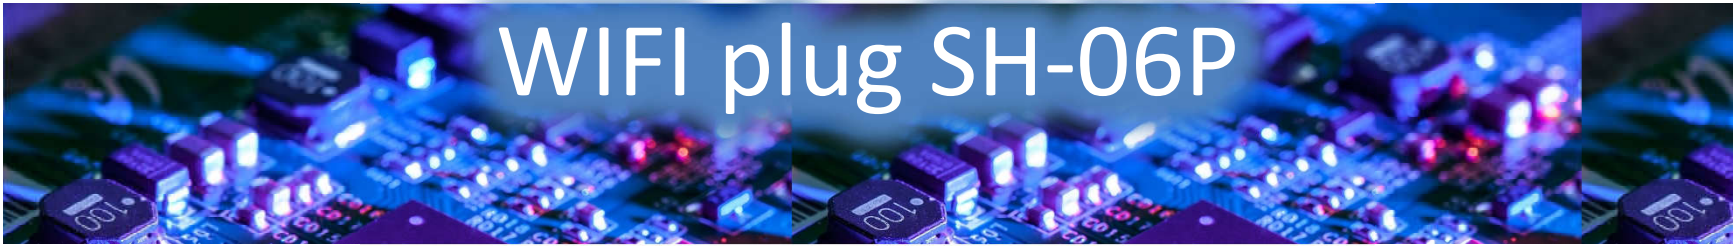

- Wi-Fi 2.4G, 150Mbps, 802.11b/g/n
- input: AC110~220V/10A
- output:AC110~220V/10A
- US/EU standard

WIFI plug SH-06P

- wireless wifi control smart plug ,support Amazon Echo Alexa voice control, Support iPhone Android smart phone remote control from internet, Support over internet control
-
- 1.wifi enable, can be control by iPhone android phone over internet
- 2.Amazon alexa voice control enable
- 3.direct access by Amazon alexa, no gateway need
- Smart Remote Control
- Push Notifications
- Charging current mornitoring
- Power scheduling
- Overheat Protection

Input voltage	125V
Input frequency	50Hz/60Hz
plug type:	USA
Max.load current	10A
WIFI standard	WIFI 802.11 b/g/n
WIFI frequency	2.4GHz
Product size:	6*7*5.7cm
Package size:	6.2*7.5*6.0cm
Color:	White/Black
AC output	AC 120V, 60Hz,10A (US Socket)
DC output	DC 5V 1A (USB A type port)
Certificate:	FCC/UL/RoHS

WIFI plug SH-07P

- 1. mini square wireless wifi control smart plug ,support Amazon Echo Alexa voice control,Support iPhone Android smart phone remote control from internet,Support over internet control
- 1.wifi enable, can be control by iPhone android phone over internet
- 2.Amazon alexa voice control enable
- 3.direct access by Amazon alexa, no gateway need
- Smart Remote Control
- Push Notifications
- Charging current mornitoring
- Power scheduling
- Overheat Protection

WIFI plug SH-07P

Maximum current:	10A
Rated voltage:	110-125V
Rated power:	1100W
Wireless Type:	Wi-Fi 2.4GHz
Support system:	Android \IOS
Operating temperature:	0 °C - 40 °C
Certificate:	FCC/CE/ROHS
Package size:	5.4*5.4*6cm
Weight:	0.1kg
Color:	White

WIFI plug SH-08P

- fashion design wireless wifi control smart plug ,support Amazon Echo Alexa voice control and google home ,Support iPhone Android smart phone remote control from internet,Support over internet control
-
- 1.wifi enable, can be control by iPhone android phone over internet
- 2.Amazon alexa voice control enable
- 3.direct access by Amazon alexa and google home voice control, no gateway need
- Real time energy monitoring;
- Overcurrent protection;
- Works with Amazon Alexa & Google Home;
- Set schedules and timers
- Remote control from anywhere

WIFI plug SH-08P

Input Voltage:	AC110-240V
Output:	16A Max
Size:	84*30*50(h) mm
Package:	2pcs/box
Weight:	0.1kg
Certificate:	FCC/CE/ROHS

WiFi powerstrip SH-PS1US

- amazon alexa voice wireless wifi control smart power strip ,support Amazon Echo Alexa voice control,Support iPhone Android smart phone remote control from internet,Support over internet control
-
- 1.wifi enable, can be control by iPhone android phone over internet
- 2.Amazon alexa voice control enable
- 3.direct access by Amazon alexa, no gateway need
- 4. Socketand USB Port control at the same time
- 5. Multi-device charging/intelligent distribution of charging current
- 6. High temperature resistant products, 750 °C flame retardant
- 7. 25 groups of independent timing
- 8. Child protection

WiFi powerstrip SH-PS1US

Size:	302 * 56 * 29mm
Voltage:	110~240V AC
Power rate:	1800W
Max.load current	16A

WIFI switch SH-S1

- fashion design wireless wifi control smart plug ,support Amazon Echo Alexa voice control and google home ,Support iPhone Android smart phone remote control from internet,Support over internet control
- EU/USA versions
- 1.wifi enable, can be control by iPhone android phone over internet
- 2.Amazon Alexa voice control enable
- 3.direct access by Amazon alexa and google home voice control, no gateway need

WiFi switch SH-S1

- *Switch Dimension:
86 * 86 * 36mm EU
120 * 74 * 39mm US
- * Rated load: each gang less than 300W
- * Self consuming power: Less than 1mA
- * Operating environment: -20~50° C,
Less than 95%RH
- * Life long: more than 100,000 times
- *Weight: 0.2kg /pc with color box;
- * Work with Alexa.
- * Operate system:Android/IOS
- Material:Crystal tempered glass panel
- Certificate:CE/ROHS

WIFI switch SH-S2

- fashion design wireless wifi control smart plug ,support Amazon Echo Alexa voice control and google home ,Support iPhone Android smart phone remote control from internet,Support over internet control
- EU/USA versions
- 1.wifi enable, can be control by iPhone android phone over internet
- 2.Amazon Alexa voice control enable
- 3.direct access by Amazon alexa and google home voice control, no gateway need

WiFi switch SH-S2

- *Switch Dimension:
86 * 86 * 36mm EU
120 * 74 * 39mm US
- * Rated load: each gang less than 300W
- * Self consuming power: Less than 1mA
- * Operating environment: -20~50° C,
Less than 95%RH
- * Life long: more than 100,000 times
- * Weight: 0.2kg /pc with color box;
- * Work with Alexa.
- * Operate system:Android/IOS
- Material:Crystal tempered glass panel
- Certificate:CE/ROHS

WiFi switch SH-S3

- *Switch Dimension:
86 * 86 * 36mm EU
120 * 74 * 39mm US
- * Rated load: each gang less than 300W
- * Self consuming power: Less than 1mA
- * Operating environment: -20~50° C,
Less than 95%RH
- * Life long: more than 100,000 times
- *Weight: 0.2kg /pc with color box;
- * Work with Alexa.
- * Operate system:Android/IOS
- Material:Crystal tempered glass panel
- Certificate:CE/ROHS

WiFi switch SH-S3

- *Switch Dimension:
86 * 86 * 36mm EU
120 * 74 * 39mm US
- * Rated load: each gang less than 300W
- * Self consuming power: Less than 1mA
- * Operating environment: -20~50° C,
Less than 95%RH
- * Life long: more than 100,000 times
- *Weight: 0.2kg /pc with color box;
- * Work with Alexa.
- * Operate system:Android/IOS
- Material:Crystal tempered glass panel
- Certificate:CE/ROHS
